Chic Parisien Unveils Latest Collection

In January, Chic Parisien (www.chicparisienbridal.com) unveiled the latest evening gown and bridal collections from celebrated designer Monique Lhuillier. Featuring the area's most extensive collection of the designer's dresses, Chic Parisien showcased more than 100 evening and bridal gowns during the exclusive fashion show event. In an effort to give back to the community, Chic Parisien Owner Catherine Fox Milian hosted the event together with Alex and Cynthia Rodriguez to benefit the AROD Family Foundation. A portion of the sales from the evening event and weekend trunk show were donated to the Foundation, which is dedicated to positively impacting families in distress. More than 80 area movers and shakers attended the event.
